ABOUT EXHIBITION

BrushTech-2023 is a comprehensive Exhibition for Brush Manufacturing Industry providing a platform to the needs of every facade of brushes, rollers & mop making of both industrial and domestic nature. This unique event will showcase a wide range display of Raw materials, Technology, Machinery, Tools, accessories, finished products, current trends and innovations of brush manufacturing Industry

BrushTech-2023 will bring together leading manufacturers, buyers, industry professionals of brush manufacturing industry presenting unrivalled opportunities to do business, network, unveil new products, exchange best practices and source cutting edge products, technology and solutions.

VENUE

NEW DELHI, the political capital of India , is located in vicinity of Indian Brush Manufacturing centers of Sherkot, Agra & Kanpur.

The Indian capital has gradually emerged as the new economic capital of the country. New Delhi with its extended urban agglomeration (NCR) is one of the fastest developing metropolitan economic entities globally.

Proximity to seat of National Government clubbed with excellent infrastructure, connectivity and closeness to industrial hubs of adjoining states of Punjab, Haryana, Uttar Pradesh, Uttaranchal & Rajasthan provides the city with a favourable business environment and better reach to huge market of North and Central India. Ideal location, abundance of quality hotels & nearby destinations attracts International and Indian travellers alike.
